

As you promote the AO Scan via e-mail, the following is suggested:

- Your personalized *electronic* biz card and brochure
 - Designed professionally, free of charge for all our team members!
 - The card as an example below can be printed on your own.
 - A paragraph about the AO Scan technology now on side 2 of the card
 - E-mail your details to AOScan4You@yahoo.com

Everything emits a signature blueprint consisting of energy, frequency & vibration. This includes our body & emotions.

This signature can be measured, quantified and compared against a standard set of measurements for hundreds of different bodily functions with the AO Scan Mobile.

Then well-established, optimizing frequencies are used to influence the body towards balance.

Disclaimer: The AO Scan Mobile is not a medical device. It does not diagnose, treat or cure any disease.
