

Mobile Device Clearing

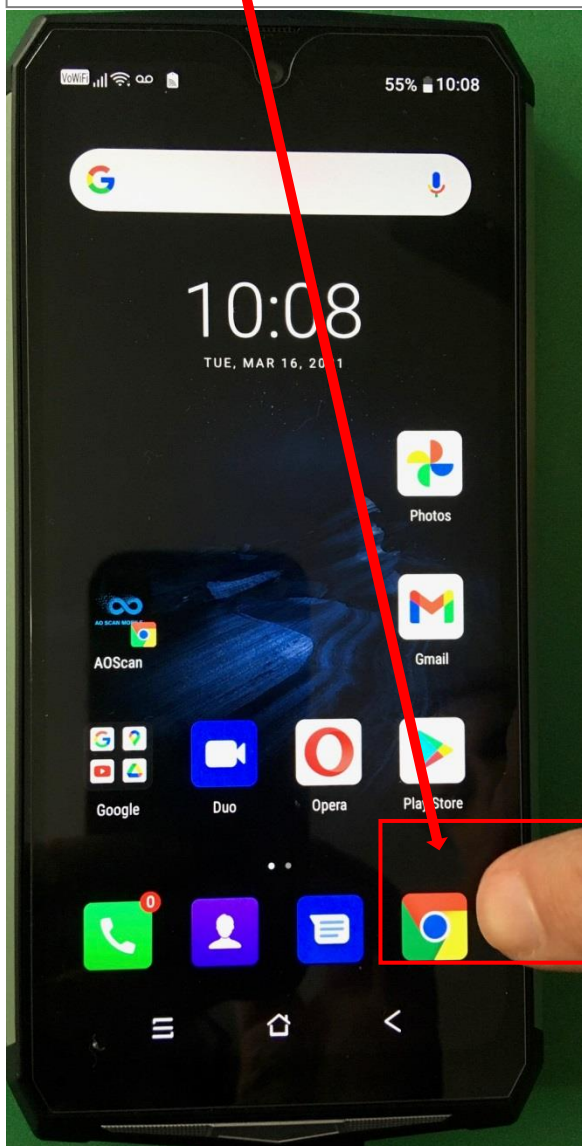

SOLEX

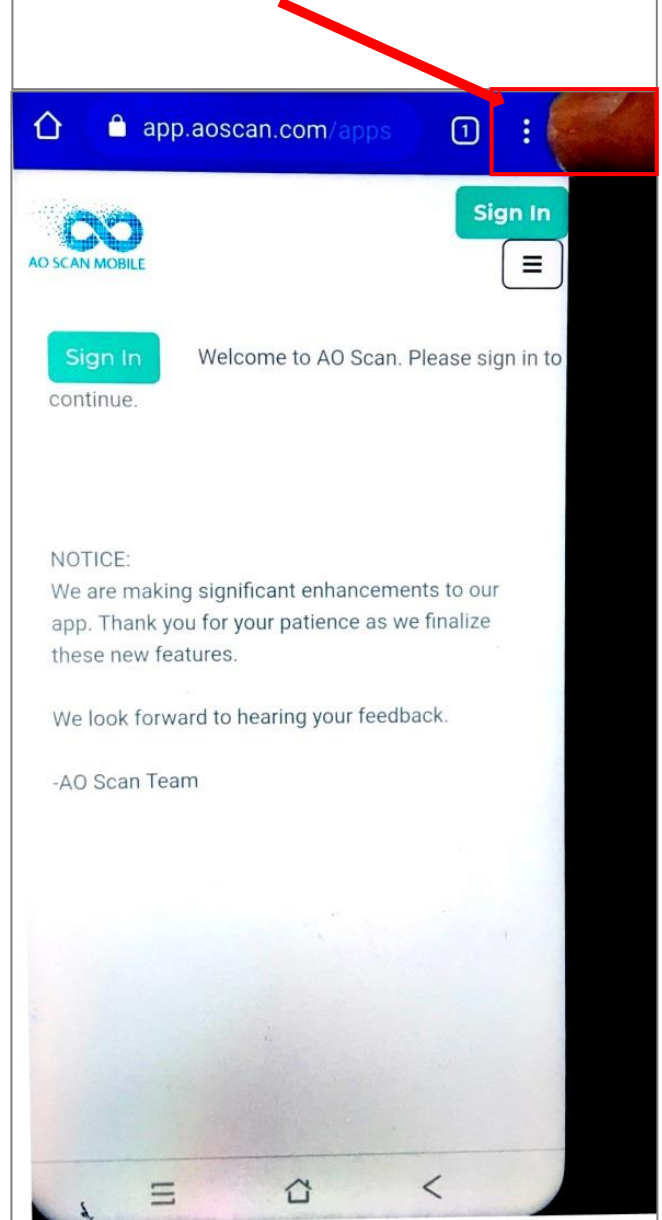

For greater AO scan efficiency,
it is recommended to clear the history, cookies, etc.

WEEKLY

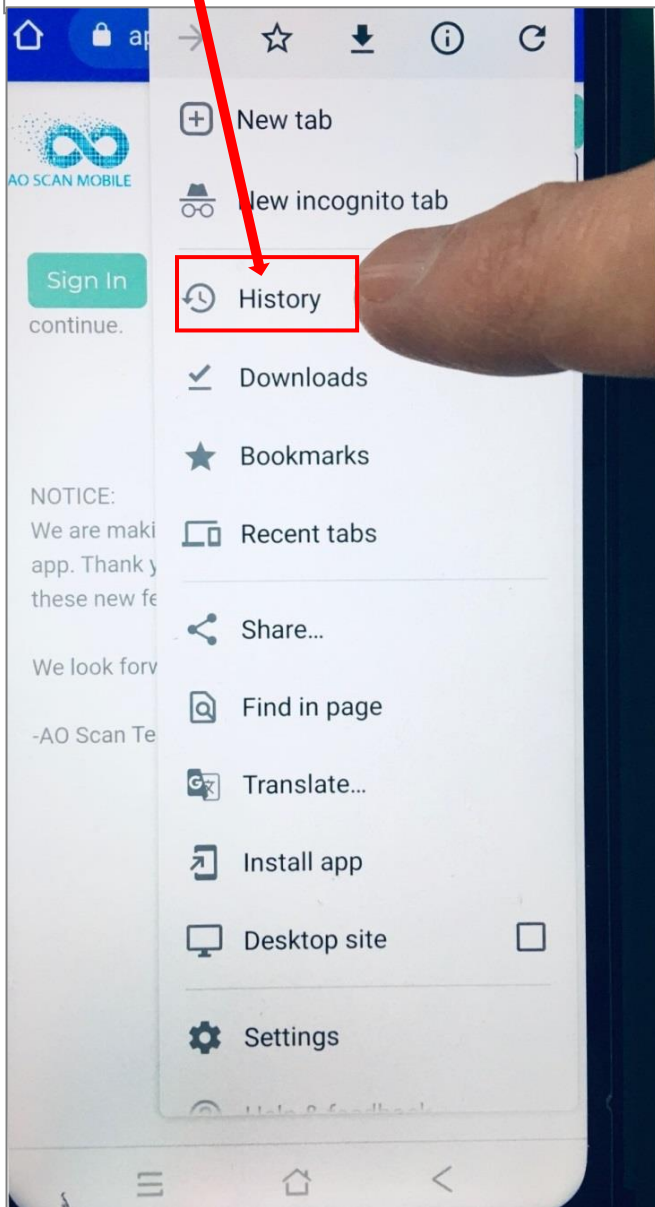

From your device home screen,
click on **Google Chrome** app as shown
below

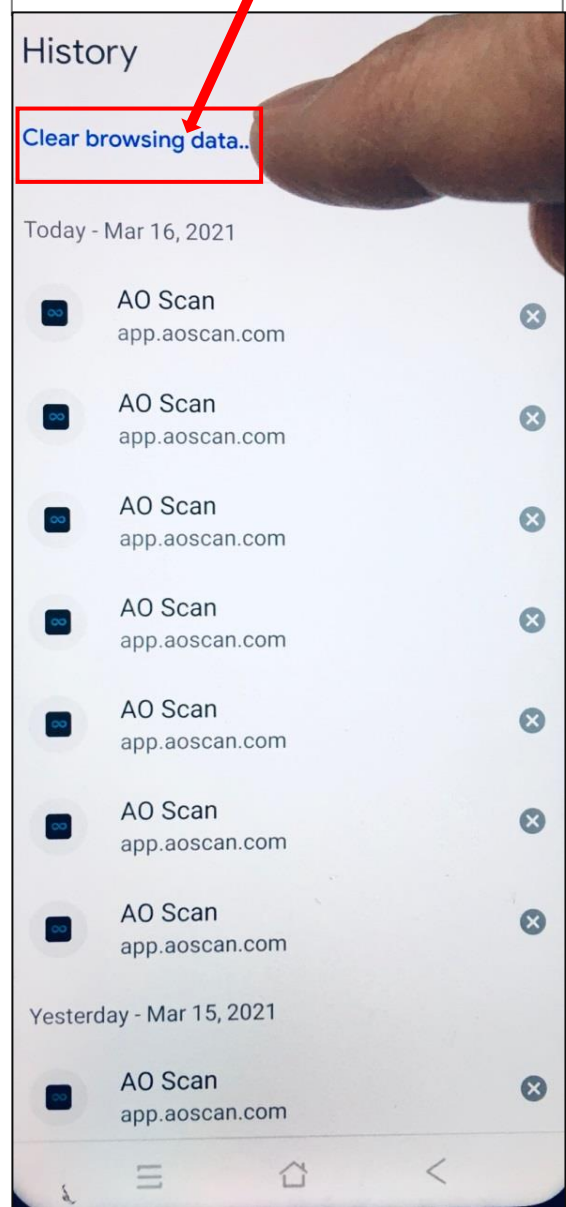

Next, click on **the 3 dots**

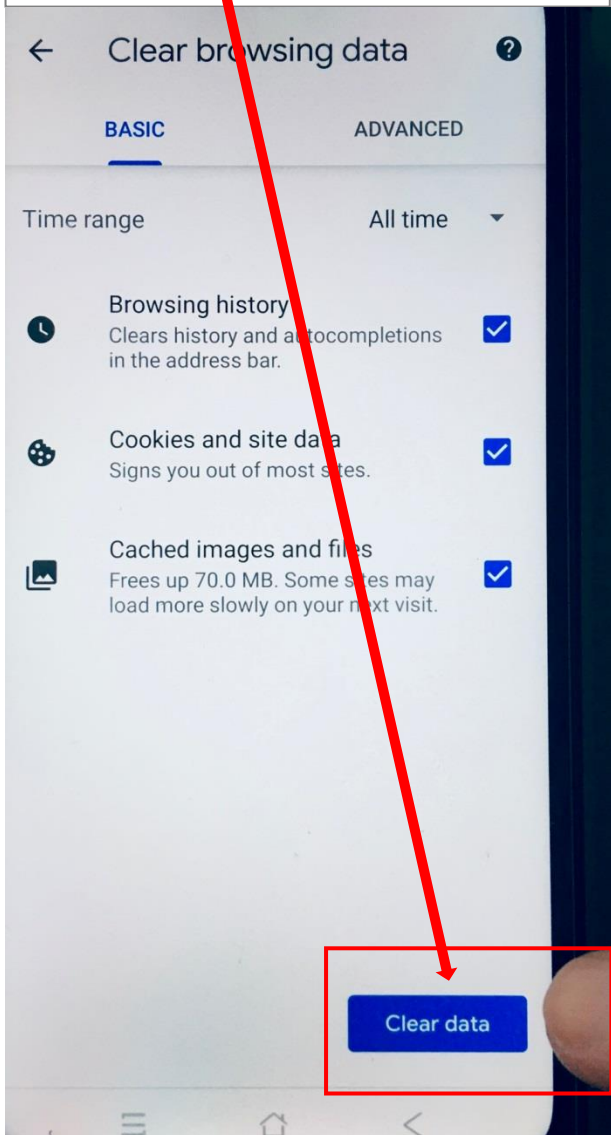

Click on **History**

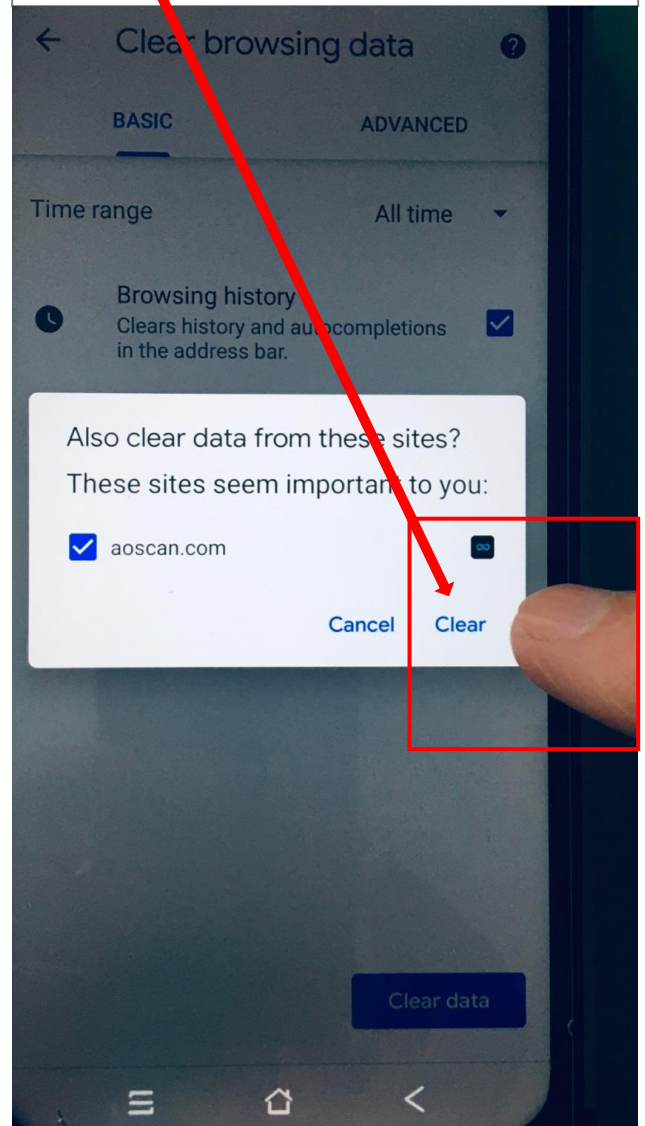

Click on **Clear browsing data**

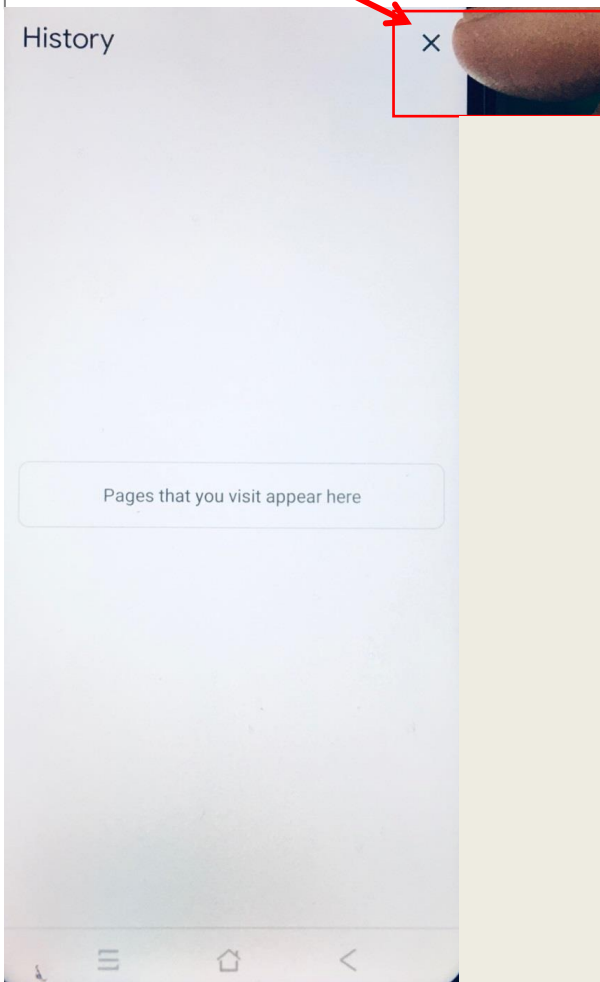

Click on **Clear data**

Press **Clear**

Click out of **History**.

Resume using the AO SCAN

Remember, CLEAR the history weekly!

The AO Scan Mobile device is NOT a medical device and does not diagnose, treat or cure any disease.
