Step 1.

Turn on the AO Scan Mobile Device.

The power button of the AO Scan Mobile is the second button down on the right side of the device.

Step 2.

Connect to a Wi-Fi Network.

Locate and click on the Settings app icon.

Settings APP Icon

In the setting menu, scroll down and click on the 'Wi-Fi' tab.

To see available networks, turn on the Wi-Fi by clicking on the 'Use Wi-Fi' toggle switch. The 'Use Wi-Fi' bar will turn blue when the toggle switch has been turned on.

A list of available networks will appear. Select your network, enter your password, and click on 'Connect'.

Step 3.

Access AO Scan Program.

On the home screen, locate and click on the AO Scan program icon.

AO Scan Program Icon

When the AO Scan program opens, click on the sign in button.

Next, select AO Scan Mobile as your login provider.

Step 4.

Provide Login Credentials.

On the AO Scan Mobile Login page, enter your username and password. Your login credentials will be the same as your Solex back office credentials.

The AO Scan Mobile will prompt you to save your login information.

Solex recommends allowing your device to save your login information for easier access to your AO Scan account.

Step 5.

Setting Up a New AO Scan Profile.

On the AO Scan homepage, click on 'Guest Client' at the top of the screen. The AO Scan homepage is the page with the listed programs AO Scan Technology offers – Quick Scan, Inner-Voice, Vitals, Comprehensive, and SEFI.

Select 'Create New Client.'

Step 6.

Provide Camera Access to AO Scan.

After selecting the 'Create New Client' button, you will be prompted to authorize AO Scan access to your camera.

Select 'Allow' to give Google Chrome access to your camera. (Google Chrome has been preloaded on your device.)

AO Scan requires Google Chrome to have camera access to accurately use the unique functions of the program and its technology.

Step 7.

Provide AO Scan Profile Information.

After selecting the 'Create New Client' button and granting camera access to the AO Scan program, you must

Step 7.
cont.

enter the information requested on the client profile page.

First, enter your first name, last name, the email address where you want your scan results to be sent to, and gender. It is important to specify your gender for gender-specific organs the scan analyzes.

Next, enter your weight (in pounds), height (in inches), and birthdate. Example for weight: 170 lbs. = 170. Example for height: 5'5" = 65 inches.

In order to enter your birthdate, select the birth date field and a calendar widget will appear on your screen.

On the top-left corner of the calendar, click on the year to select your birth year and then click on 'Set' to save the year.

After selecting your birth year, select the month and date. Click on 'Set' to save the updates you've made.

To finish setting up your account, you must add a profile photo. You can upload a photo you already have saved in your device by clicking the 'Upload' button.
